Hertog Jan Genootschap

Exclusive beers, exclusively for Genootschap members

About the Genootschap

Slagroom belongs to the Hertog Jan Genootschap: a selection of cafes across the Netherlands that, according to the brewery, truly know how to enjoy beer. Because of this we are often involved in special promotions, new specialty beer launches and Hertog Jan events. That is a nice perk, because it means we can regularly serve you something special, such as the exclusive barrel-aged beers and the Proeftuin beers.
